

WHO WE ARE

Rosemont Early Childhood PTA (RECPTA) is an organization of parents with young children who want to create and maintain a sense of community in North Oak Cliff.

RECPTA is the oldest early childhood PTA in the state of Texas. For over 85 years, this organization has played an integral role in connecting new parents and neighbors.

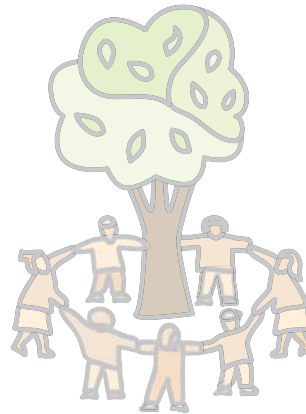

While RECPTA benefits our local public school, Rosemont Elementary, our membership represents schools all over the Dallas area.

RECPTA's focus is to build community and friendships among North Oak Cliff parents that will last into the school-age years and beyond.

The support and friendships that develop through meetings, retreats, playgroups, and community service are what have sustained RECPTA for over 85 years. This is the place to keep your finger on the pulse of the neighborhood. RECPTA is where families come together and long term neighborhood friendships are born. Please consider joining us.
